

RAINBOW LAKES

2021 SUMMER NEWSLETTER

Greetings, Residents!

Your Rainbow Lakes West 3rd Addition Association is going to have a busy year and we invite all of our residents to join in the activity!

First on the list is our neighborhood spring cleanup scheduled for Saturday, May 22nd from 9AM to 4 PM. This year, we are providing a way to easily dispose of tree limbs and other yard waste that will be accepted by the landfill. No trash, appliances or household waste will be accepted. A trailer, graciously provided by James and Agnes Johnson, will be parked at the common property on North Forestview Street. The dump fees will be paid by the association.

Our second event is our neighborhood garage sale scheduled for Thursday thru Saturday, June 17-19.

In order to increase the activity, we have coordinated with other associations and we will post banners at our neighborhood entrances as an advertisement. We are not able to obtain a blanket permit from the City, so it will be necessary for participants to obtain their own permits.

Permits can be purchased on-line by searching for "Garage Sale Permits - Wichita, Kansas".

To get involved with any of these upcoming events, or if you have any questions, please contact Robin Morris at HOA Management Services at (316) 351-7650 x211 or via email at robin@homeownermgmt.com

The last event of the year will be a neighborhood block party on Saturday September 18. Our annual meeting will commence at 11:00AM, where we will hold the election of officers and conduct any other necessary business of our association. After the meeting, there will be fun activities for residents of all ages, a partial list includes:

- * a bounce house for the kids
- * grilled hot dogs and cold drinks
- * music
- * horse drawn carriage rides
- * yard games

To accomplish the block party, we need your help! A few of our residents need to step forward and join the planning committee. The committee will organize the event and hopefully expand the list of activities available. Perhaps you have a small business or are involved in a business that would be interested in sponsoring an activity? We especially want to enlist help from our north residents on Racehorse, Rainbow Lake Road and Rainbow Lake Terrace. The time requirement is minimal - only a few hours between now and September-the reward will be a well organized and fun social event!
